Congratulations to all of
you!

It's Half Term!

I know we're all limited in what we can do but please do try and enjoy some kind of change of pace from the pressures of home schooling.

For those of you that do appreciate some guidance, I recommend

Oak National Academy

#OakActivityClub - fun-filled and engaging activities for half-term.

The school will stay open throughout half term for children of key workers that have been booked in. The plan is for schools to reopen from 1st June for Reception, Year 1 and Year 6. We await Government instruction that this is safe to do so. Please be aware that if this goes ahead the school will be **CLOSED** on Monday 1st June to **ALL** children. This is **essential** for staff to be instructed on new procedures and to prepare the rooms.

Thank you to all those parents of children in Reception, Year 1 and Year 6 that have responded to whether they wish their child to return to school. I will write to you as soon as we receive notification from the Government that it is safe.

In preparations for a phased opening the following documents have been created. These are being ratified by the Governors and when this has been completed they will be available to read on our school website.

- Castle Hill Risk Assessment for a Phased Reopening
- A Temporary Home-School Agreement
- An annex to our Behaviour Policy
- The Rationale for how we have used the Government's Guidelines to do what we have considered is best for our community.
