Dear Parents

Preparations are currently underway to get the library and home readers ready for September.

We have some lovely new books for your children to read, but we also need any reading or library books returned as soon as possible. Please can you drop off any books you have at home (please label with name and year group) in the lidded box provided at the end of the car park.

We love this [#GloucesterLegoChallenge](#) creation by Bethany (aged 9).

Here we have an amazing combination of [Cheese rolling coopers hill gloucestershire](#) with an arch at [Gloucester Cathedral](#) and Harry Potter. Bethany has also created it in rainbow colours for the NHS.

Amazing work, Bethany! 😊

The Reading Shed

In September, we want to make more use of our community hub. As well as the FRIENDS using it to sell tickets for events etc we want to make it into 'A Reading Shed'.

Please can you help us by donating any unwanted books that are suitable for encouraging children to see reading as a pleasure. Our aim is that children will be able to go to the shed and exchange a book to read at home with another. We want to encourage our children to love reading and want to do it for fun. In the last week of term we will put out a collection box for your donations.
