Newsletter 15: Friday 17th July 2020

Dear Parents

We wish you all a very happy summer holidays. We are looking forward to seeing everybody back in September. The Government guidelines have enabled us to ensure everybody's safety is a priority. You will be able to view our risk assessment for September arrangements on our website. Hopefully you will be reassured that although we cannot return to normal in all ways we have carefully considered how to continue as best we can in the current circumstances. The following arrangements assume by September we can continue to ease lockdown. There will be a more detailed version on the website soon. If the situation changes, you will be notified of any amendments to our plans that are needed. This will be in the week before we return to school of the situation.

- Children will be asked to use hand sanitizer on entering school.
- We will encourage frequent hand washing.
- We will encourage children not to touch their mouths, eyes or nose.
- We will use a simple 'no touch' approach for younger children to understand the need to social distance from adults.
- The number of children using the toilets at any one time will be limited.

If your child shows signs of being unwell with a temperature of 37.8+, a cough or loss of taste and smell, please do not send them to school.

You should book a COVID test and inform the school of the results ASAP.

On the advice of Public Health, we may need to ask others to self-isolate following a positive result.

Thank you for using See saw to communicate with your teachers. Your new teacher has posted you a message telling you about an exciting Big Write Competition. Please listen to the message before the end of the weekend. See Saw will close on Monday 20th July so that children can be reassigned to their new classes.
