

# The 'BROADCAST'

Newsletter 8: Friday 16th October 2020

Dear Parents

Thank you for all your harvest festival contributions today. You have been very generous. Gloucester Food Bank will collect the produce from the school. It will be distributed to support local people in our area. The children took part in a Class assembly today to remind us all of the origins of the festival and how important this time of year is to farmers.

Do you remember the fantastic display of poppies in Brockworth community last year? We will be marking Remembrance Day again. This time, we are working with James Aldridge, from Brockworth Community Support Services to distribute 'Poppy Packs' to each child. You will be able to make a poppy and display it in the window of your home.

Sadly, we will not be able to sell poppies from school this year. We will however have an opportunity to donate money, after half term, to this worthy cause.

Dear Parent / Guardian of Years 1,3 and 6

Our school and Sport England would like to find out about the sports and physical activities our pupils take part in, both in and out of school. The information collected will be used to:

- Provide a report to our school to help us understand what our pupils are doing and what we can do to support them
  - Help Sport England invest in opportunities for children and young people to take part in and benefit from sport and physical activity.
- Our school has agreed to take part in this research. Your child's class has been selected to take part in the survey. This involves completing an online questionnaire which will take about 20 minutes and will be completed during the school day at a suitable time arranged by your child's teacher.

The surveys are hosted by Ipsos MORI, a research organisation. Ipsos MORI will store all information securely and keep it confidential.

Congratulations to: Sam Tout, who got the amazing opportunity to play at Meadow Park. He represented Brockworth Albion, winning 6-5. Olivia and Jacob play there soon.
