Nasal Flu Programme: We are supporting this programme by allowing the Nasal Flu Programme to be delivered in school on Monday 18th November. Every child will receive a letter and consent form and parents should return them to school. No child will be given the immunisation without Parental Consent. Please read the letter so you are aware of the reasons the NHS is investing in this programme in all schools across the country.

'After finding their feet, Castle Hill A team have won their last 2 games 3-1 and 3-0.

What a huge achievement!'

Well done to the girls' football team for winning 8-0 against Hignham. Special congratulations to Sara for scoring two of the goals.

Castle Hill Primary School is Awarded Primary Science Quality Mark

Primary Science Quality Marks have been awarded to 300 schools in the country to celebrate a commitment to excellence in science teaching and learning. The Primary School Quality Mark programme ensures effective leadership of science, enables schools to work together to share good practice and is supported by professional development led by local experts. It encourages teacher autonomy and innovation while at the same time offering a clear framework for development in science subject leadership, teaching and learning.
