

The 'BROADCAST'

Newsletter 8: Friday 29th May 2020

We will continue to support you with Home Learning but please be aware that all teachers and TAs will be in school from Monday and be involved with teaching the children returning to school. This is to meet the Government's request that Reception, Year 1, Year 6 should have the opportunity to return alongside our existing Critical Care children. They will be taught in Bubbles of no more than 15 children when possible. This needs all staff to be involved. We thank you for your support in this very difficult situation.

Home Learning:

Please make good use of the BBC Programmes.

We would also like all children working from home to complete a project. They can share this back at school as soon as classes return. In the meantime examples from your project can go on See Saw.

Big Write and PAWS

A Message From Our Governors

As your board of Governors for Castle Hill we would like to express our thanks, gratitude, admiration and pride on how all the staff of Castle Hill have conducted themselves during this unprecedented time. There has been a large amount of work carried out behind the scenes, to ensure children and parents feel connected and cared for. The school is providing a safe and enjoyable environment for pupils and continually providing updates to parents and shown the beautiful rainbow of the Castle Hill Community.

We are very proud of you as parents and carers of the children who are showing respect to staff and kindness to one another. The children have been adjusting to the situation and sending in some amazing work. We are so proud of them and you. We understand it has not been easy some days and presenting challenges, however, you are all doing your part and are amazing.

Thanking all the Key Workers who are working to keep life moving.

Monday 1st June- Essential Staff Training- No children in School

Tuesday 2nd June- Children in Reception, Year 1 and Year 6 that have registered will be welcomed back to school.

Friday 19th June- Review of Risk Assessment. Providing it is safe, a further invitation for other Reception, Year 1 and Year 6 Children to join us will be sent out.
