Year 4: Joshua Snook
Thomas Daniels
Year 5: Peyton Roberts
Reece Cole
Year 6: Finley Johnson
Ryan Mitchell

Congratulations to all of
you!

BIG WRITE Challenge

Title: The Cave

Please use this title to inspire you to write. Your teachers love your entries on See Saw. Make sure you upload your writing so your teacher can read and comment on it for you.

Thank you so much for joining in with our See Saw Rainbow Challenge. We are thinking of you all. The teachers have loved speaking on the telephone with you. We know nothing more than you about how we will reopen but hopefully on Sunday we will have a bit more news.

VE Day- Home celebrations

Make some bunting, wave your Union Jacks and make a trifle, the VE celebrations might not be those originally planned, but the tea parties and picnics can still go ahead in your home.

On a final note:- Please understand that we know no more than you about reopening.

We know many of you will have different feelings about sending your child back to school. Please be assured we will work with you in the time when it is right for you and your family. We are not here to pressure you, just support you doing the very best for your children.

On line resources available from Public Health England to support you and your family with your mental health.

MindEd educational resources for adults about children and young people's mental health

Every Mind Matters platform which supports looking after your own and other's mental health

Guidance on looking after wellbeing and mental health during the coronavirus outbreak.

Guidance on supporting children's wellbeing and mental health

All NHS mental health trusts are setting up 24/7 helplines and seeking to use digital and virtual channels to continue delivering support during the coronavirus outbreak.

Remember, what a great job you are doing just by being you, trying your best, every day.

When we return to school we will be encouraging all children to bring in their own pencil cases. In this way, we cut down the need to share equipment. You might like to start collecting a pencil, roller ball pen, ruler, rubber and coloured pencils together.

Thank you Morrisons, for donating Easter Eggs to the teachers and Key Workers children.

Well done, Lily-Mae. We love that you have completed this PAWS activity.

Year 6 Residential Trip to the Isle of Wight

We are so sorry for Year 6 that this trip will not go ahead. Fortunately, acting on the preference of the majority of Year 6 parents who when polled wanted us to cancel this trip, we have done this. Therefore, the good news is we are able to refund the monies paid to the school. We will do this by cheque in June when Mrs Hickey will be working. She will ring you individually to ask who you would like the cheque to be paid out to. Thank you for your patience.
