Skye Tandy

Year 5:- Sam Tout
Finley Barber

Year 6:- Ryan Mitchell
Sam Charlton

Children in school will be rewarded in school in 'Bubble Diamond Assembly.'

Dear Parents

You will be aware from the Government announcement this week that it is not anticipated to fully open to all year groups before September. We share your disappointment on this and know how frustrated many of you will be that this is not possible. We will continue to support your home learning and are fully confident in your desire to do the very best job you can for your child. We cannot stress enough the importance of regular reading. We are confident we will be fully open in September and will do everything possible to make this happen.

Preparations for Risk Assessment.

We are confident that the smooth transition back to school for some Reception, Year 1 and Year 6 pupils has been successful. However, following our guidelines we are obliged to carry out a formal risk assessment at the end of next week before we can welcome more children in these age groups back to school. The following points will need to be considered:

- the number of staff available
- the rooms available
- the number of keyworker children attending
- the number of children wanting to join the current bubbles
- Health and Safety procedures have been followed

The risk assessment will take place on Friday 19th June and any findings will need to be ratified by The Governors. We aim to invite more Year 1 and 6 on 22nd and more reception on 29th. We have cancelled the INSET day in June. School will be open. There are no plans for school to be open for crisis care in the summer holidays. I'm hoping this helps you plan.

Our School Home-School Programme

On Friday look out for your teacher on Seesaw

Read, Read, Read-If you do nothing else, be reassured this is the single most important thing. Read to your child and get them to read to you.

Mrs Blake has posted phonics links on Seesaw Reception and Year 1 sites. They are highly recommended.

This week's BIG WRITE

The Frozen Palace
Who lives here?

A big thank you to you all for the support you have given to all the children and parents over this trying time for everyone.

Stay safe,
Helen the community champion
Seeco Brothwell.

Thank you Tescos!
