

PE and Sport Funding

What is PE and Sport Funding?

In 2013 the Government announced that schools would receive funding for physical education (PE) and sport. The funding should be used to improve the quality and breadth of PE on offer in schools and to offer wider opportunities in sport provision so that all pupils develop healthy lifestyles and reach the performance levels they are capable of. Schools are free to determine how their funding is used.

How is this additional funding used at Castle Hill Primary School?

The school offers a very wide variety of PE and sport activities for the children and we participate in many inter-school sport competitions.

The funding is used in the following ways to further enhance our provision:

PE & Sports Grant Allocation for 2018-2019

£17, 708

Additional hours for PE Co-ordinator to teach and work with external coaches delivering PE to all KS2 classes	£3,570
Membership of School Sports Partnership	£3,350
Continuing Professional Development of Staff -Netball	£915
Maintenance of Equipment	£800
Provision of after school clubs to promote an active lifestyle	£700
Seasonal outdoor sports clubs- cricket, tennis, netball, hockey, athletics- matching up to coming festivals/competitions	£700
Developing Resources-Running Track Scooters and Bicycles	£7,653
Total	£17,708

What is the impact of the use of this funding?

- The use of the funding has had the following impact on the children and staff:
- increased teacher knowledge and development of skills in delivery of PE improving provision for the children;

- a wider range of curricular and extra-curricular opportunities for the children in PE and sport;
- an increase in the participation of children in quality sport and PE provision; development of children's sporting skills and understanding of the importance of physical activity.
