

# WILDWOOD CLUB

Wildwood Club is a free afterschool club that runs every week, every term, for the entire school year! Every child in the school is given the opportunity to join in the fun of exploring our very special Wildwood at the end of our school field. 'Wildwooders' enjoy hot chocolate and a biscuit before setting off to build dens, make clay pots, paint their faces with blackberries, climb trees, whittle sticks, make fires, toast marshmallows and much, much more!

We also like to have special Wildwood evenings where all the family can come along to take part in the fun! One of the most popular events is our bonfire and lantern walk-don't miss out!

Mrs Lee, our Wildwood Leader, has had Forest School training which means that your child will learn how to embrace all that the outdoors has to offer in a monitored, safe setting.

Wildwood Club is run by volunteers and we are always looking for donations of certain items, if you think you can help please see Mrs Lee.
