Newsletter 14: Friday December 4th 2020

Dear Parents

It was lovely to welcome Year 4 back to school on Thursday. We really missed you all. Miss Baldwin was so pleased to see her class too.

We have a new revised Risk Assessment that you can view on our website. This takes in consideration that we now are in a Tier 2 area. The Risk Assessment will remain in place until we are notified of a change in the Tier. We are making no changes to the school day. We have been relatively successful in preventing the spread of COVID and want to ensure your children are kept as safe as possible in the run up to Christmas. Therefore, we will be waiting until the New Year to restart Dance, Gym and Football Clubs.

A reminder of the procedure to follow if there is a suspected Covid case in your household

If someone in your household needs to go for a Covid test you must keep your children at home until the results are returned. If the result is negative your child is welcome back to school immediately. If the test is positive everyone in the household must isolate for fourteen days.

Please ensure you notify the school immediately of the situation.

Isabella really impressed us with her moving toy she did it at home for PAWS. Her class have loved DT this term and have made spectacular money boxes for their treasure topic.

PAWS in December 11th

On Friday 11th December we will be sending everything the children have made home with them in one delivery. This is to limit the number of times we are sending paper etc back and forth.

Friday 11th November is Christmas Jumper Day

The FRIENDS have organised for you to come to school in your Christmas Jumper in return for an item to go in the Rainbow Christmas Hamper.

Please see attached sheet for all the details. Please avoid any fresh produce but we are very grateful for any contribution you are able to offer.
