Readathon: 4th March - 29th April

This year, we will be running a sponsored 'Readathon' in partnership with the local Gloucestershire charity 'Read for Good'.

Every child in school will be coming home today with a bookmark and a sponsor card. The idea is to raise money by being sponsored to read - it is up to you whether you want your child to be sponsored for the number of pages they read or the number of minutes they spend reading.

The money they raise in sponsorship helps to provide a regular supply of brand new books and a resident storyteller to every major children's hospital in the UK and our school receives free books worth 20% of our grand sponsorship total - so there really is something in it for everyone.

Please find below a link to a short video explaining Readathon.
