

“I love the dressing-up stuff, you can really make your friends laugh!”

“We can make whatever we want!”

PLAY POD

“If you can't reach and your friend is taller they can help you”

“I played trains with my big sister and all our friends”

Castle Hill know that play is important!

Our Play Pod is open during the lunchtime break so that all of our children can benefit from playing with exciting ‘loose parts’ supplied to us by the Bristol ScrapStore. Our Play Pod Leader and Dinner Supervisors have all been specially trained to make sure that everybody has a safe, fun lunchtime!
