Newsletter: 17th February 2023

## Clubs

We are delighted that we are able to increase the clubs we have on offer at our school. We have listened to parents filling in our school survey and responded accordingly.

On Tuesdays, Mrs Hending will be continuing Dance Club.

New members are welcome. **KS1 3-3.45pm**  
**KS2 4-5pm.**

On Fridays, we will host a new netball club. Hopefully, with the opportunity to play games against other local schools.

French Club is on Tuesdays.

## Dear Parents

The children have worked really hard this term at home and school. Your support of our PAWS homework is remarkable and really does give our children the opportunity to show us their capabilities as well as share their imagination.

We have been overwhelmed by pieces of art coming into school ready for our art exhibition. There is still time to enter and half term might prove a good opportunity to get inspired.

## Year 6 Residential

**Tuesday March 14th-Friday March 17th**

Parents are invited to come to school at 5pm on Wednesday 1st March.

Mrs King will talk about preparations for the trip, the itinerary and answer any questions you have.

We look forward to welcoming you.

## Parking

Please respect that our car park is for staff only. It is a safety issue when parents, particularly for breakfast club, drive into it. Staff are driving into the car park at this time and we do not expect children to be running across this space.

## Big Write

If you could invent anything what it be?  
And how would it work?

## Dates for the Spring Term

Whilst our teachers continue to support the aims of their unions to increase funding in schools, for your children, no staff member will be joining in the next day of strike action. They cannot afford to lose pay as well as manage the impact of the cost of living crisis. Thank you for showing your continued support.
