

wow!

Minibeast Hunt

Which of these minibeasts do you recognise? We have found lots of different kinds. Maybe you would like to go on a hunt and see what you can find? Please take photos or draw and write about what you see. Remember to be very gentle and very quiet. Show us on Seesaw...

Symmetrical Butterflies

Butterflies have beautiful symmetrical wings. They can be many different colours and patterns. Make your own beautiful wings. Are they symmetrical? See how many interesting facts you can find out about butterflies...

Ladybird Doubles

Practice your learn-it doubles on ladybird wings. Check if you were right. How fast can you recall these facts? Can you beat your time? Show us on Seesaw...

Family Sports Day

Can you make up your own Sports Day races? Who is the fastest/slowest in your family? Can you make it fair for people of different ages and skill levels? Who is the best team member?

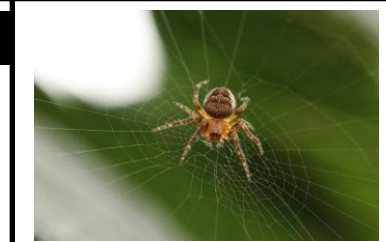

Cotswold Wildlife Park

What did you like best our trip? Why not design your own park? Learn some facts about your favourite animal? You could plan a fun day out with your family? Please post your activities...

Spider Facts

Are spiders' insects? How many eyes do they have?
What is the biggest spider called? What size is it?
What facts can you discover about spiders?
How did you get your information?

Special Memories

What a wonderful year we have had together! Thank you all for your hard work, your super efforts and your great big sense of FUN!! What have you enjoyed the most? What has helped you to be ready for Year 1? Have a **GREAT SUMMER!**
