

The **BROADCAST'**

Newsletter 2: 10th February 2023

Fridays - Netball Club

We are delighted to be able to offer children in Years 3 and 4 the opportunity to join our Netball Club.

If your child is interested please ensure they collect a letter and return the attached slip.

Edward Munch **The Scream**

Restyled by the Hawker Family. Notice they are standing on the bridge. Just like the original painting.

Dear Parents

We have been really impressed this week by the ability of our children to speak confidently about a subject of their interest for two minutes. We have found out lots of interesting information about your children's hobbies and interests.

Those that would like to take part in the GSP Oracy Project had the opportunity to take part in school heats this week. Henry H, Year 3 and Darcey, Year 5, will be able to compete against other schools in Gloucestershire later in the year.

School Nurse Visit

3pm on Tuesday 24th February

The School Nurse is holding a hub at the end of the school day. This is a very informal opportunity for parents to come into school to ask any questions they may have on healthy eating, behaviour, sleep etc. Please go to the Reception Classroom after school finishes.

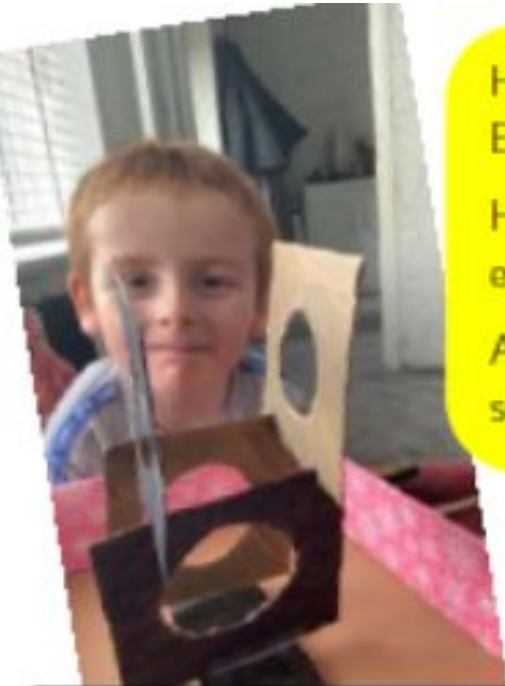

PAWS Success Story

Our PAWS has some very important aims. The activities are designed to be purposeful activities that can be done without school. The point of this is to demonstrate to children that learning takes place everywhere and not just in the school day. The Hawker family have really impressed us all. They have 4 children in the school. They have demonstrated how they can work together on a task to all achieve an outcome matched to the expectation for their age group. Well done, Hawker family!

Have you created your Art Exhibition entry yet?

Here are some amazing examples to inspire you!

All entries must be in school by 17th March.

Dexter HEPWORTH

Anthony O'KEEFE

Edie O'KEEFE

Abbie BANKSY

Willow WARHOL

Rueben THOMAS

Emily HARING

Freya MUNCH

Ollie KUSAMA

Chase MONET

Year 2 Parents SATs Meeting KS1

Tuesday 7th March at 9am

Miss Sugden and Mrs Blake will be hosting a session for parents to explain all about the National Curriculum tests your child will be taking in the summer term. They will guide you through the process, what the results are used for and how you can support your child at home. We want this year to stress free and part of normal daily practice. The more informed you are, the better position you will be in to ensure we can do this.

Congratulations!

The girls football team won 5-0 against Finlay Community School this afternoon.. Liv scored 4 and Flo scored 1. We are now through to the next round of the cup, at home next Wednesday.
