Newsletter 4: 27th January 2023

Dear Parents

What a wonderful experience our School Choir have had joining together with other schools to make a choir of 8000 children. I am so grateful for all the parents comments and emails of appreciation. My staff work incredibly hard and they love it when they feel appreciated. A special thank you to Mrs Blake for her commitment and dedication over the year preparing the children for this great night.

Curriculum News

Big Write

The children will be writing about
'The Message.'
Please help them prepare for this activity.

R.S.E

Soon we will be covering our Relationships, Sex and Health Education (RSHE) curriculum across the school. The majority of the teaching will focus on the building of positive, safe relationships and will reinforce life skills to support this. The lessons are also linked to the Science topic of life cycles in KS2, and changes during puberty higher up the school. All classes will also have some teaching around personal hygiene.

If you have any queries about what will be covered in these lessons, please see the RSHE Policy or the Relationships and Sex Education Overview on our school website.
