Sports Day

What a fantastic day!
It was so lovely you were able to join us to picnic before the afternoon races. There was such a perfect community atmosphere and we were so pleased to see you all.

The children loved participating in morning events. This helped those that are less competitive enjoy a circuit of activities that they could participate in. This helped those most anxious to ease into the spirit of the day.

This is the first year we have extended the challenge for Year 6 by using the circular track for their relay. This was really successful and ensured many more confident participants.

Well done to Green team for collecting the most points on the day. Congratulations to all the children who took part and helped with the organisation to make it a great day.

Dear Parents

We have had some very successful trips this week. Year 1/2 visited Berkeley Castle and learnt how our country was protected in times of invasion. Year 6 visited Windsor Castle and enjoyed the experience of visiting a royal residence.

Next week, Reception will be off to Cotswold Wildlife Park. We know they will have an equally enjoyable time.

Thank you!

It makes our job so worthwhile when children act independently in a way that makes our aim of 'Do With Not For' real!

Ollie, Year 5, has written a well structured letter in suggestion that we replace our football kit. He has given reasons why as well as a solution to fund it.

Well done, Ollie, this is a brilliant example of the initiative we are developing through PAWS.

Big Write

The title for Big Write is:

Sports Report

Hopefully, after such a memorable day, you will all be inspired to talk about the highlights.

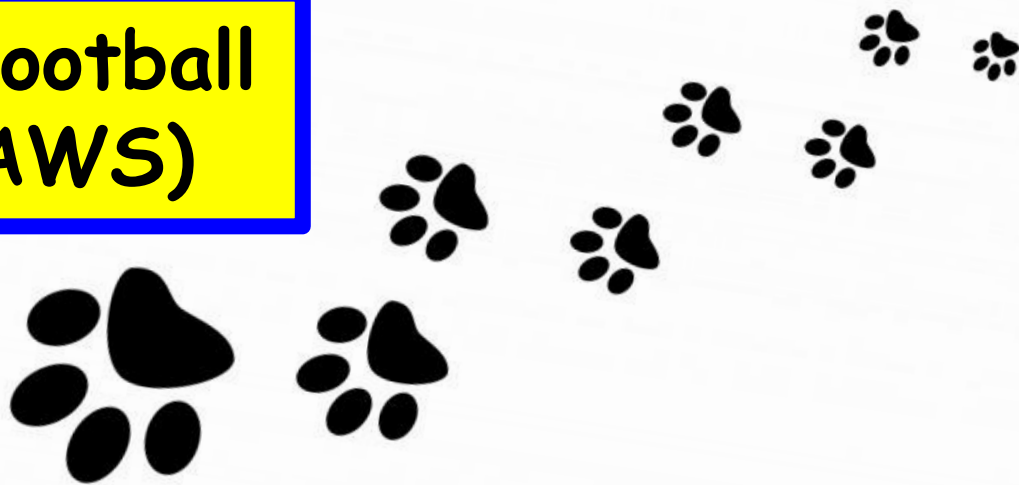

We look forward to reading the accounts the children write and keeping some of them in our history library.

PAWS

Please ensure PAWS is in on **Friday 7th July**. We are really encouraging children to respect the importance of deadlines. This will really help them in their future both in secondary school and in the workplace.

The quality of the work matters to us. We are really impressed by the attention to detail that goes into the work.

SUBJECT: CASTLE HILL FOOTBALL KIT

Over the course of this year my dad and I have thought about a new school football kit. There will be photos of the kit designs on the next page. We think the old kit is a bit worn out and tired and we also think the new kit will motivate the players.

FINANCING THE KIT

The sponsorship of this kit will be by my dad and if we cannot find another sponsor we could put an announcement on the newsletter, this means that my dad will pay half and the other half will be by the other sponsor. The estimated price will be £30.00 a kit.

CHOOSING A KIT DESIGN

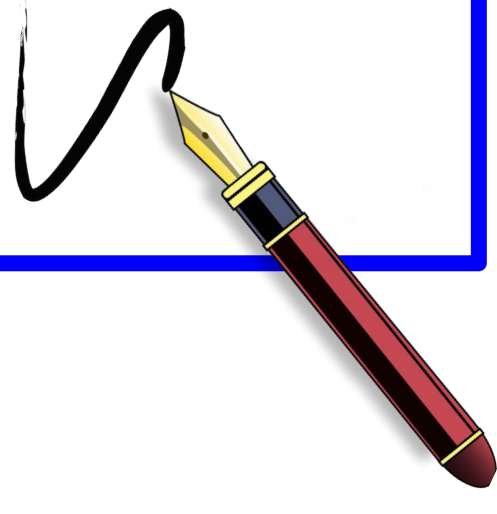

We will decide on what kit by having a democratic vote board, the board will be in the hall or where there is space. If the infants want a say they can vote but not if the board is in the juniors. The voting board will work like a tally chart and which ever kit the most votes after two weeks wins, and that kit will be crowned the new castle hill primary football kit!

ORDERING THE KIT

Ordering the kit will be from the website we designed the kit zapkam. The order will take five to six weeks from the day we order it.

NEST STEPS

If you want to organise a meeting my dad and I are happy to do so.

Sports Day 2023!

On Tuesday, we held our annual Sports Day. In the morning, every pupil participated in a range of activities, collecting points for their team score. After enjoying their picnic, the children took part in their class races and relays. We are so proud of the resilience and team-spiritedness that everybody displayed. Congratulations to Green Team, our overall winners of the day!
