

'BROADCAST

Newsletter 20: March 1st 2024

Dear Parents,

I hope you have had an enjoyable week. There has certainly been lots to celebrate in school. Hopefully, you will be joining us at Parents' Evening either face to face on Tuesday 19th March or online on Wednesday 20th March. This is a good opportunity for you to share your child's progress and discuss their next steps in learning. Online bookings will open at 9am on Monday 11th March.

Of course, success happens out of the classroom too. We are very proud of our football team for their performance in the semi-finals. They now are preparing to take on Meadowside Primary School in the finals on Saturday 17th March. They really should be commended for their team spirit and the understanding that all players are more valuable when supporting each other.

FRIENDS

Thank you to all who gave up Friday evening to join our eager team of volunteers. We really appreciate your time and dedication. There are now even more events planned to help raise money for the school whilst giving you and your children an opportunity to enjoy the activities.

Watch out for:-

Mother's Day gifting.....

Easter Trail.....

Crazy Cakes for Red Nose Day.....

Sponsored 3 Peaks Walk.....

Outside Disco.....

The ideas, organisation and planning is amazing! We are very lucky.

Thank you!

=====

Amazon Wish list

With school budgets being so tight, the items donated will make a huge difference to our pupil's learning. If you feel able to donate anything, you can find the wishlists by following these links:

English Wishlist <https://amzn.eu/bnNWVET>

Forest School Wishlist <https://amzn.eu/fkxiP5O>

Many congratulations on your excellent win, good luck in the final !!!

Big Write

Children will be writing in their TWP Book this week. There will be no Big Write.

This is the opportunity for your child to demonstrate their independent writing ability. They do this by producing a piece of work that comes at the end of the unit they have been studying in English this term.

You will see, when these books are shared with you, that the ability from Reception to their present year group can be tracked all in one place. The children love looking back in these books and seeing the progress they have made.

Beliefs Systems and Values

A detailed and thoughtful code of conduct to live your life by....

Always be kind and considerate to the planet as well as others. Do not stamp on spiders. Instead put a cup over the top and carefully transport them outside where they want to be.

Be polite, wherever you go, even if you are in a rush or you don't like the person. Say your praises and thank them when you receive kindness back. An act of kindness from someone in your daily life feeds the soul.

Reduce plastic waste and invent ingenious ideas to save sea creatures like fish and turtles. If we can recycle and reduce our plastic products then it will not be a big impact on the environment and global warming.

Help homeless people from hunger and starvation and donate to charities like shelter. Homeless people live in very cold conditions in dirty streets with no air conditioning.

Don't be isolated and connect with friends and family. Often talking about your feelings can affect your social life and your mental health. Healthy relationships can be really good for you.

Eat healthily and get nutrients and vitamins from all kinds of veggies.

If you follow this process, you can live longer.

By Toby-Year 6

Tesco Tokens

We have managed to secure one of the Blue token boxes at your local Tesco store. Thank you for your amazing support by placing your tokens in the Castle Hill allocated box. The second box is looking very full. We are hoping that we will be able to raise sufficient tokens to buy new cycles for the Reception class.

Thank you for every contribution.
