Newsletter 23: April 12<sup>th</sup> 2024

Dear Parents,

Welcome back to the summer term. Hopefully, the field will dry out soon and we will be able to use it at break and lunchtimes. We have been busy settling into our new topics and arranging lots of great opportunities for your children to land the learning that will secure a smooth transition to their new class next year.

Mrs Richards definitely wasted none of her holidays. Out popped Charlie on the Saturday after we broke up! He's a lovely healthy bundle of joy and all the family are doing well. Mrs Ettrick has really supported the children to continue with their Year 4 journey. They have already started swimming sessions as well as planning how they are going to make you proud with the progress they will make.

## Topics

You are invited to look at our school website to find out more about your child's topic. Hopefully, the information will inspire you to visit some places in connection with the learning.

Reception: Water and Weather

Year 1/2- Seaside Rescue

Learn about geographical features of coastal landscapes. Study of Grace Darling.

Year 3/4- Eurovision

Learn about our continent. Discover how exploration builds knowledge and understanding of the world we live in.

Year 5/6- Wet 'n' Wild-

Effects of water on the landscape and people.

Thank you!

# BigWRITE

The Big Write title is 'The Lonely Dragon'.

This is a great time to let your imagination run wild. What does he look like? Where does he live? Why is he lonely?

Will your story resolve this issue? How will you do this? Will your first attempt be successful or might you have to try different ways to solve the problem?

Is there a happy ending?
