Newsletter 25: April 26th 2024

Dear Parents,

The best news this week was the FRIENDS sharing that they had been successful securing a grant for £4783 from a charity for STEM resources. This is fabulous news to us. This will really help us replenish and refresh resources in Science, Technology and Maths. We are really grateful for the hard work and dedication. Thank you for your continued support.

Our Reception class is now full for September. We are looking forward to welcoming in all the siblings that we already know as well as some new families. We will be inviting all parents of these children to a meeting before the Reception teachers begin visiting nurseries next term in order to get to know the individuals.

Jackson and Alex demonstrate their love of Science. We have Science Week at school after half term. This is the same week as the Cheltenham Science Festival. Our new STEM equipment will ensure we are able to land our learning.

Thank you!

Amazon Wish list

It means so much to us all that you continue to show your generosity. We feel our resources are really being boosted.

If you feel able to donate anything, you can find the wish lists by following these links:

BIGWRITE

The Big Write title is:- If you could change one thing about your school what would it be?

Can you be persuasive? Would your choice benefit all children in all year groups? How would you support it being put in place? What difference would it make to your learning? Do you think your friends and family would support it? Will the teachers be happy too? Share your idea but make sure you give reasons to support your choice. Maybe it will happen!
