

BROADCAST

Newsletter 27: May 10th 2024

Dear Parents,

I hope you all have benefited by the bank holiday weekend and enjoyed time with your families. At last, we have been able to play on the school field at lunch times and break times. I know how much the children enjoy this additional space and how much they benefit from this facility. Please find a sponsor form attached to the newsletter. We hope you will be able to support the School Council in their quest to make lunchtimes even more fun. They are organizing a Fun Run around school on the morning of Sport's Day. All children will then select choice A, B, or C of items we can afford to buy. Please ensure your child is dressed for the warmer weather. This includes owning a drinks bottle and having a hat. Sunscreen must be applied before school. If your child needs more sun cream this must be provided, and applied by the child themselves. Hay fever medication should be taken before school if necessary.

Year 1 demonstrating using the Link Zone

During the Big Maths session in Year 1, the children demonstrated their understanding of partitioning and doubles.

They were able to deepen their understanding by interpreting the learning on their whiteboards in a way that was personal to them.

Thank you!

Amazon Wish list

We would like to thank parents for their generosity in purchasing from our Amazon wishlists. The items that we have received so far make a huge difference to pupil learning in the areas of English and Forest school. If you are able to donate any items that remain on the list, we would be hugely grateful.

Forest School wishlist: <https://amzn.eu/fkxiP5O>

English topic wishlist: <https://amzn.eu/bnNWVET>

This is the Science Equipment we are able to buy after the FRIENDS successfully bid for us.
