## Big Party

Join us on the school field for free. There is no price that you can put on the fun you will have. There will be raffles, hot-dogs, bottle tombola, teddy tombola, games and activities and more. Maybe you'll meet your old teacher or someone you were at school with a long time ago. Feel proud of being part of our unique school that prides itself on being part of this strong community.

Please be aware, holiday requests will NOT be authorised. This is not an individual school policy, this is following the Education Act 2013 that makes it clear that Headteachers do not have the authority to grant any leave of absence during term time unless exceptional circumstances prevail. Please do not book anything before submitting a request form for each child and avoid booking your holiday during school term times. These are readily available in our school office as well on the County Council website.

The law states that you could be issued with a penalty notice if your child is absent from school without authorisation. In these cases, EACH adult who is legally responsible for ensuring their child or children attend school will have to pay a separate penalty notice for EACH child.

So, if two children go on an unauthorised leave of absence and end up with a penalty notice, then each parent will have to pay £120 each, if it is paid within 21 days, making a total of £240, or if paid between 21 and 28 days then £240 each, making a total of £480 and if you fail to pay a penalty fine within 42 days you can be prosecuted.

This week's big write is.....

## **Dear Diary**

### **Friends News**

Thank you for your donations towards the bottle tombola today. This is going to be one of the many attractions you can look forward to at the Big Party.

### **Fathers Day**

Please ensure your chocolate wrapper designs have been returned to the Friends by Wednesday 12<sup>th</sup> June.

## **New Build**

It would seem that finally we can expect our extension to the offices to go ahead. We have a provisional date of Monday 26<sup>th</sup> June. We anticipate the builders being here for 12 weeks. Thankfully the majority of this will be over the summer holidays and therefore will minimise the disruption to our daily routines. However, we ask you all to work with us once the building is under way and to appreciate that every effort is being made to access the school while the main entrance door is out of action. As soon as the project is confirmed and signed off information regarding daily routines will be shared.
