

# Welcome to Year 4!

Congratulations! Here are some things you need to know about life in Year 4!

## Reading

Reading is the key to accessing all other learning. It is so important that your child continues to read their levelled book aloud daily, and this should be recorded in their reading record. Reading for pleasure with books from home, library or hub is encouraged!

## Topics

This year we will be exploring and discovering 3 new topics! They are: Extreme Environments, Who's the King of the Castle, and Eurovision. Keep an eye on the website for more details.

## PE

PE takes place on a Tuesday. However, children should have kit every day as we sometimes have external providers. Indoor & outdoor kit should be provided, with house colour t-shirts and suitable shoes.

## At Home

PAWS, Reading & Times Table Rock Stars should be completed at home. PAWS will be reviewed on Mondays. Reading records & books should be in school every day. School equipment should be carried in a named bookbag.

## Snacks and Dinners

The Government no longer provide free snacks/hot dinners for all in KS2. Please provide a small snack of fruit or cheese/crackers for playtime if your child requires it. To check if you are eligible for free school meals visit:

Mr Telford and his team can't wait to welcome you to Year 4!
