

**MRS DANCEY**

# Welcome to year 5

## READING

Reading is the key that opens all other learning. It is so important that your child continues to read their levelled book aloud daily. In Year 5 pupils will also be able to pick from a range of carefully selected books as they progress to 'free' reading.

## SUPPLIES/KIT

Please don't send pencil cases to school but keep at home to enjoy using on PAWS or your own projects.

PE Kits may be worn to school on Fridays. Kit should be plain black, grey or navy with a house coloured T-shirt. Trainers are ideal for the sports and activities we will be doing. Please also bring a waterproof coat as we're often outside.

## TOPICS

This year we will be learning about 3 new topics which range from ancient civilisations like the Ancient Egyptians in Tomb Raiders to exploring local historical connections in Leaving a Legacy and understanding how our geography affects daily lives now and in the past in 'Wet and Wild'. Take a look at our topic webs on the school website classes section for more info and an overview of all subjects.

Year 5 will also receive a full year's musical instrument instruction delivered by Gloucestershire Music (Instruments and instruction are supplied by school).
