

Castle Hill News: 30.01.26

'Moments matter, attendance counts'

Dear Parents/Carers,

Football news

Last Friday, the boys' team played their last match of the season. It was a home fixture against Widden. Castle Hill played really well and came away with a 3-2 win. Goals were scored by Jayce, Rithvik and Will and Noah was player of the match. We would like to say a really big well done to our 'A' team. They have had a brilliant season and are guaranteed to at least share the winners' trophy with Highnam having 2 more games still to play.

Amazing experiences and achievements

Dawson, Will and Elijah were all mascots for Gloucester City mens' football last Saturday. They went on the pitch to train, went in the changing rooms with the players and had a photo. They walked out with them at the beginning of the game, held the flag for them to walk through and also went on the pitch at half time to do some penalties. What a fantastic experience for them all!

Also, congratulations to Darcie-Marie. After Christmas, Darcie decided to take up another hobby as well as gymnastics so last week she joined Tuffley Rovers girls' football team. After 2 training sessions, she was awarded trainer of the week. Her mum tells us that her coach is very happy with how well she plays and this has really boosted Darcie's confidence. Well done, Darcie!

[Seesaw: Y1-Y6](#)

We are hoping to expand our use of Seesaw from Years 1 – 6 so that parents can see what their children have been learning each week. To start with, teachers will be creating a weekly post about something the children have been learning in their classes. You will hopefully receive the first post later today.

[Breakfast Club menu](#)

In line with the latest food and nutrition guidance, we will be updating our breakfast club menu to ensure it meets our healthy schools' status. We will update you on this before half-term.

[Polite reminder: Parking](#)

We have had reports this week from parents that some parents are parking dangerously around the school at drop off and collection times. We know that parking at these times is very difficult, but please be mindful of where you are parking as the children and families crossing the road need good visibility to cross safely.

Please also do not obstruct the gates to the staff car park as these need to be kept clear in case of emergency.

Many thanks.

Have a wonderful weekend.

Mrs. Ettrick
