Newsletter 37 : 12th July 2019

Dear Parents

I hope you enjoyed reading your child's report and appreciate the hard work that they have put into achieving such great progress. Please find attached our school external data compared to national results of 2018. As you will see we are still achieving above the national average in most areas. Thank you for the part that you have continued to play in supporting your child, the teachers and the school.

This is the last newsletter of the year. Dates for next year are attached to this newsletter to help you plan your calendar. Please be aware that although we try to avoid any changes occasionally this may occur.

We wish our Year 6 all the very best for their future.

Building Update- Week 3

The builders are making slow progress because of the drains and pipes hidden underneath the concrete. Their plan is to concentrate on the parts of the project that involve access to the school during the summer holidays.

Thank you so much for the co-operation you have shown so far. We will continue to use the dining room door as the main entrance for parents and visitors until further notice.
