

This week as Mrs Ettrick is currently on our Year 6 Residential, she asked me to share a big thank you for your support this week in the extreme heat. It was very much appreciated and we thank everyone for helping both staff and students stay as safe as possible.

Year 6 - Residential

This week our Year 6 class headed off to one of their last adventures at Castle Hill for their residential, take a look at their raft building experience – impressive skills at work! We are so proud of their bravery to try new things and create memories that will last for a lifetime and I am sure the stories will continue to be told for years to come!

Football Year 3 and Year 4 Boys

Last Week on Friday our Year 3-4 boys represented the school in a football tournament and from Mr Enon's Coach commentary 'The boys played brilliantly; Two wins, three draws and one defeat. Clear to see they enjoyed every minute'

Well done boys you showed great pride in representing our school!

Packtypes and PAWS event

We hope you will join us for our Packtypes and PAWS event on Wednesday 1st July at 3.30pm. Our Castle Hill Curriculum Team listened carefully to your feedback about these important tools and have put together an event to make sure all our parents and carers have an opportunity to learn more about them. Come to the main entrance after school, see you there!

This term seems to be whizzing by in a flash and over the next few weeks we have even more trips and events happening in and around the school. Please take a look at the important dates coming up!

Have a wonderful weekend & stay safe in the sun!

Mrs Bradford
