

Autumn Term 2019

Music

Music is a subject that year 4, 5 and 6 do with Mr.Loveridge; this is held on Thursday afternoons.

The instruments they play are :clarinets, trumpets, trombones, baritone and cornets.

Many people haven't done music before and they've even joined clubs.

Year 5 and 6 have a chance to go to Cheltenham town hall to play in front of a lot of other schools. Isaiah (year6) has told us it helps him learn new songs.

Madison and Grace O said that she likes that we have an opportunity to play an instrument.

Edison said:

"I like music because we get to learn new things."

"I like that people who haven't played music before get an opportunity to try it." said Daisy year 6.

The Keep

The Keep (that is run by Mrs. Ward) is open from 3:00 – 5:00pm It's an after school club where children can play whatever they want.

"I wanted to create a club that anybody can come to." Mrs. Ward tells our reporters, "what I mean is, some clubs only do football, others board and card games or some only read books. Where as in the Keep, children can play outside on a nice day, read, play games or draw on a cold, wet day."

Our reporters have found out that most children who enter the Keep for the first time come out wanting to stay!

Sports Report

Our school has a variety of after school sports activities including football and gymnastics to keep us fit and healthy.

The first school football match of the year was Castle Hill School Girls' Team vs Dinglewell Girls' Team. The first goal came in the 3rd minute when Lorna Watson struck the ball from the edge of the box. The match ended 8-0.

WHAT A HAMMERING!

The first school A Team match happened when Castle Hill played Brockworth away from home.

It was a very close match and Jude Howard and Lorna Watson scored, but unfortunately, we lost 3-2.

We look forward to the rest of the season.
